

CHEETAH CHASE BINDER PARK ZOO

This 5K course has a variety of surfaces including asphalt, brick, boardwalk, crushed rock, and grass. There is a combination of up hills, down hills, tight turns and flat stretches throughout the course. Native Michigan woodlands are in abundance along with a wide variety of zoo animals to catch your eye. Highlights also include panoramic views of the African savannah with herds of giraffe, zebra, antelope, and more. This is a truly unique venue for a 5K event.
