

Summer Day Camp Enrollment Policy:

- Parents/Guardians must register their own children to participate in Summer Day Camp.
- Registrations will be accepted by mail or online only.
- Registrations are processed first come - first served. If a camp is full upon receiving your registration, we will contact you about a refund or enrolling into another open week.
- Registration closes seven (7) days before a camp starts. All fees, release forms, and immunization records are due at that time. Paperwork will not be accepted at the camp, if your child's paperwork is not received on time your registration will be cancelled without refund.
- Once the registration is processed, you will receive a confirmation email containing information about the selected camp week(s). Please give us your best email address so you don't miss important camp updates.
